Dear Sir

I had a lap Blanket
taken from my Stable on Saturday
by some one, will you be
kind enough to see if your
man did not get it through
mistake this Blanket is Black
on one side and Yellow with
flowers on the other side this
Blanket was in the Stable
one hour before he left here
You wrote to me to know
which Horse I thought would
take best here, I am
sure that Happy George
will

Respectfully
Joseph M Daniel
