Mr Edward B Emory
Dear Sir

As you were not-
present to witness the
grand exhibition of speed
by Happy Bee. I thought I
would drop you a line
she has set the neighborhood
wild & that performance
is worth several thousand
dollars to your Stallion as
I did not name any ant-
trusting that I should be
compensated if I took chance
of ruining my mare to show
a mile that the bal of stock
horses may shoot at for some
time to come before they
produce one that can beat it
