

The Association gave me \$40⁰⁰/₁₀₀
+ admitted that it was far
more appreciated than any horse
that could of been exhibited
I could of driven her in 215.
I will mark her in 208 sure
I am in receipt of two telegrams
since to show her against time
+ wish to give her all the chances
in race also will ship to
Phila today my address will
be Point Breeze Driving
Park + if you feel liberal
+ think the performance is worth
\$50⁰⁰/₁₀₀ it helps to defray some of
the expenses I had to treat my boys
three to \$10.00 a piece + a little more
to celebrate the Happy Russell
Family + your health also I ain't
out of pocket - use your pleasure
but come to Point Breeze + see her

Yours truly
