Dear Sir

I suggest that you write Dan Hayden ^{and}
C. R. Frazier asking them to take part
in the free for all at your place on Apr 6th
I am inclined to think they do not think
much of starting - You might mention that
if they start their horses, I will draw
Lady avon as she is only entered to fill
the race & - Lady will not be in shape
to beat 2.40 by that time as you know it
takes a month for a flaked leg to be
sound enough to speed - Also please
write Tom Ford and ask him to take part
in Slow Class say 3 m. You might also
write W. N. Bowen Templeville and get him
to enter his Bentonsmore colt in the same class
as Fords Bell Boy - I saw Bowen today
and he thinks he can go in - but all these
people are whimsical and would rather hang
