My dear Sir -

I have been away
for a week & just returned this evening
where I found your note awaiting me
relative to sending for my mare at
Suddersville. I will thank you very
much if you will send her over there
on Monday & esteem it a great favor.
I will have a man go over & get her.
However if it should be stormy I may not
send until Tuesday. at any rate you can
learn her at the stable you mentioned & if
I don't get her the day you learn her I will
pay the stable man for her keep until I do
send for her. I also thank you for the return
privilege you offer me in case she should
prove to be not in foal. Enclosed please find check
for \$30. ^{or} yours very truly J. C. Lounsbury
