Dear Sir have you made any trade with Mulling he proposed to exchange colts with you in my presence. Happy Bee's sister for Washington colt.

There is a party here that I think would pay pretty well for Happy Bee's sister. from what I hear, as for myself they are welcome but if there is any money to be made, would like where it.

Let me know if there has been any new developments since I saw you, I shall not enlighten them on how things are, at present they think I brought her at the sale
