

by Deeder, It is possible I may
send her down joined by T. W.
Simmons whom I referred
to you for information con-
cerning your horse
If the weather continues
favorable The foal might
do well on pasture -
My rule with my mares is
to try them the 3rd morning
after her first service - This
however you may be more particular
with them I am -
Hoping to hear of the Foal's
safe arrival &c.

I am
Very Respectfully
