Mr E. B. Emory.

My mare bred to Happy Russell last year is now with foal. Here another mare which can show better in 2.40 last season. She I think will catch quicker than the little mare I had there. And as I have no coll and no prospect and am not able to pay one hundred for a coll. I want to know the very best you will do by me. Am not able to now pay \$100 after losing what it cost me last season. I have an elegant mare better size and better looking than the little one and if you will make the price within my reach it shall be strictly confidential. Hope you will let me hear from you at once.
