E B Barney Esq;

My Dear Sir  
Mr P Frenchickson has  
offered me his two mares  
to ~~hand~~ to keep my bunch  
giving me call out of one  
one of them if I pay  
the horse fee the very  
things stand with me  
at present I don't see  
how I can pay \$200.00 at  
first of aug; but can  
I think a little later  
if you can excuse it  
the time will serve both  
down the wife buying  
them down I will pay  
you at my earliest convenience
