

next to Baltimore I would
rather be at Paper Lane.

I am expecting to be
called to Easton to close a
deal on "Getty" every day and
it might interfere with my trip
to your place. Hope you
will have luck in getting
good race and making Victor
law. Geo. Smith would be a
good judge and would fight for
every $\frac{1}{4}$ second in favor Victor.

Yours Truly
H. G. Stimmer
