

breeder. I feel convinced
that the breeders of Maryland
will speak in glowing terms
of Happy Russell. I am
not the only one that is
of the opinion your Stallion
will rank with such horses
as George Wilkes, Happy
Meddum and other great
sires. I received your Happy
Russell pamphlets and
mailed them to breeders in
Washington.

You must keep me
posted as to your chances

for the present year.

I hope you will soon
announce to the public
that Happy Russell's book
is closed for the season of
1891.

I suppose you have heard
D. V. Stauffer has purchased
a four year old stallion
by Young Jim.

Please remember me
to all the good folks at
Poplar Grove.

Very truly yours

H. Clay Gushner
