Dear "Ard"

I have been awaiting
a letter from you regarding
your letter - but you
promised to write and at
last I know whether you
need it - or you expected to
get it for "Father's Book"
and I have been unable to take
any steps in the matter for
that reason - Please fill in
the enclosed sheet as soon
and as fully as possible
when you rec'd it in your
hands - & that I may be able
to take it up in your hands
at once - I am
Yours truly
Wm B. F. Townsend
