Dear

I need your
cart this evening and
would be glad to do some
thing if you come to help
yourself. These are
awfully hard times
for workmen, but I have
an idea that we have
about touched bottom
now and that prices
and demands will be
improved now. I have
been intending to write
you for some time to
tell you that I lost
my purse fully out of
the Salomon man. She
died at 3 weeks old of
a swelling in her neck
and stiff joint which
lasted a week and
caused her a much
pain that she died
of exhaustion in spite
of all that Dr. Coors
