

hard for its success that any dis-
affection in our ranks gives me
pain and regrets. You have gotten
some pacifying letters from me in
the past have you not? And you will
realize more and more each year
what this Association is to you
breeding such fine stock. And
I have served you more good
Turns than you have been aware
of. If I do not hear from Col
Baughman this week I will
write the members of the Board
and ask their authority to call
a meeting. I would have arrang-
ed with Hailer to send the mares
down - but our roads have been
simply impassable - rain and
snow - and besides the expense
of winter keep is a considera-
tion. I am very glad to know
that your mare is in foal -
I have decided to send the
"Onward" mare to pay for and
may send some other mare in
place of the one sent last year
I do not suppose you will make
