like to have you take
me then, and take me
after tea.

I would think the change
of society will make
me enjoy the country any
less, and I would ask
first old friends for
theirs - Your Friend"
friends, old Prince, the"
It seems to me your plans
for my taking change in
Ga - have not quite fair
to Mr. O - for you delib-
erately knew from home
without the consent
