E. B. Emory Esq,
Dear Sir,

Yours of
the 19th inst recd. and in reply would
say I have talked with several con-
cerning Royal Russell and they think
you far to high and it would be
impossible to use him here at that
figure but I think 30 good mares
could be secured at \$50. insurance
or at \$30 certain money. If the above
figures are any inducement for you
I will work the matter up for you.
Singerly has offered us a fine blood
Milk colt at \$30 or his old horse Shu
Durock at \$50 to name but we prefer
your horse if he can be had at same
