My dear Sir

After giving the
matter of Breeding my mare to your
Horse a great deal of consideration,
Have concluded unless you can give me
some assurance of A. Colt, I will
decline sending her. Your conditions
are return privileges. Suppose you
should dispose of the Horse, which
I have heard you had some idea of
doing, I would then be out my \$100.00
"more than this" I was told of a gentleman
in Wilmington that Bred two mares
to him last year either one has proved
to be in foal.
