My dear Sir

Your letter

received. I was not a little surprised at its tone. Please understand that I am at all times willing to pay you for what ever I get from you. You certainly told me that if my roan mare should show any signs of wanting the horse to send her down and you would breed her. I nothing was said about July 1st. - Again when you agreed to drive Rose or when I requested you to handle the roan mare I expected to pay but not \$40.00 per month - I did not then know that you
