

with my business I am about
selling my half of the mine
to Mr Bitter and when she
comes to you again he will
own her, Now we agreed to
give you a 90 day note for
the Bill you say we owe
you if that does not ~~suit~~ - you
you are at liberty to do as you
likes about it for I for one
do not intend to give you
the Cash until you earn it
Remember I am speaking
for myself and if you think
you can collect by law sooner
than excepting a note that is
as good as cash then I advise
you to go a head and don't lose
any more time. These are my
sentiments about the matter

Yours Resp.
