

sent to handle the staple to very great
advantage, therefore we beg leave to ask for
your shipments to our firm this season.

We have ample Warehouse-room for
storage and assortment, should any of our
shippers desire their stock held; otherwise,
we make it a rule to sell as soon after ar-
rival, as we can obtain market value.

The receipts so far have been but hardly
enough to make a market.

Prices during this week have been as
follows:

Unwashed	21	¢
fleece "	24	"
tub "	29	"
Burry	15	" 20 "

Shall be pleased to supply any further
information and solicit your correspondence.

Liberal advances made on consign-
ments, shipping tags etc furnished.

Respectfully
Wright & Sparks.
