ofis I recd your circular of
Order of Happy Russell 4494.
His breeding & speed is all good.
Now is he only 15-3 hand high has
he any white when & how much
live in his make up style build
or fully. How about tail is it
carried well up & straight. Second
I want to know his gait if
rapid or slow & long jointed.
What weight he carries when
travelling & of a smooth or
unruffled gait. This is very new
any for me to know. I have
a man now in Foad to a
Son (By the way one of the best ones)
of Red willies down the same
