My dear friend Emory; I am now
correspondent of The Spirit
of the Times here and would
be glad to help you all I
can by publishing any notes from
Queen Anne's. I have a note of
your match with Godwin in
my letter this week, and if
you are not taking The Spirit
would like you to do so
and send your subscription
through me.

Before you make any arrangements
about a track for the Avonmore

EIDELWEIL WALTZES.
