E. B. Emory:-

yours of the 16<sup>th</sup>  
received and contents noted.

If I had thought that you  
was going to treat me in the  
insulting manner that you have  
I would never have used your  
horse. The groom told me  
that you would come to collect  
the bill Sept 1<sup>st</sup> & if it didn't  
suit the first of Jan. as you  
did not write to me about it  
the last time your man was  
around I sent you word that  
I would pay you the 30<sup>th</sup> of Oct.
