Edward B. Croy Esq.

My Dear Sir

I find it utterly impossible to col-
lect the Ryan note - I would be pleased to
accommodate you in regard to the note I owe
of yours with balance on it - You might
pay part and renew for bal. or renew in
full - I know full well how hard the
times are - I have since your note and
account in full for it -

Yours very truly

A. R. Weedon -
