Dear Sir

Mr Bowdel say please write him on what terms you propose him to handle Victor, I suggested that you furnish the horse, he do the rest and you divide the profits. He is thinking of having a stallion, and two parties have been to see him in regard to the matter, but I think he would rather have Victor as he is the only stallion in Caroline or in this section with a race record better than 20. Soon as he hears from you he will drive down and see you. He says he will ~~see~~ see and write some parties and see what they are going to do with their mares. He said one man wanted
