will send me \$50. so I can use it
by the 25th of this month I will
send you receipt in full. I make
this proposition because I need money
on that day. & I have done a great
deal of work for your family since I
have been in Bali & am willing to
cut my bill for this reason &
because I am willing to share the
hard times with you. I think your
account as rendered is 71.00 of course
I would not have you mention
this to any one

I am sure you will consider this
a liberal offer & make it become
a help to us both.

I hope to hear from you.

Any time you come to the city will
be sure to see me & we can at least
talk about home & family.

Very truly yours

Arnold Gingrich
