GOLDSBORO, MD. Mar 27/96.

E. B. Emory Esqr
Dear

Are you still arranging
for race on 6th and
have you written the parties
mentioned, I haven't seen
any of them this week.
I have not stepped Lady
this year but have been
jogging her on the road
this week - She is soft
but her leg although still
puffed from the blister
appears good enough for
some work.

Yours Truly
F. G. Slemmer
