Mr Edw B Emery
Centerville Md

Dear Sir I send you
note back. The Bank here
say they don't wish to dis-
your paper here - so I presume
it will again be protected
which I assume you I will
not again pay - Why did you
not send me proper note from
your Bank in time for
renewal - I'll pay the note
return now and the fish
of June week before - so if
you will take care of the
paper until their week
protected fee, as per agreement
with Mr. Morgan - Yours
