

of the best, on matters
of this kind I would
like to know which
horse you consider
the Father of this colt.
You know this question
would likely be asked
me many times, and
let me say either,
there are plenty who
would name it some other
way, I will say it
is an ornament to
any home as well
as to a fairer Blood
bay with star, & a mare.
Please give me your
opinion, and oblige
Yours very Respect
