Dear Sir

~~Below~~ I will be
down, with another A. I. man,
on next Tuesday Evening, on
Sunday on Wednesday Eve. at the
Lucasstown Landing, please
call for me as before, but I
think if convenient, best send
a boy along, to ride the mare
home, it will be dark, & the
man is young & inexperienced,
& I don't think, would lead safe-
ly, also he might ride a horse, & take
him in ~~on~~ the platform, to the
boat, as company to this young
man, so we could land her more
safely, & then lead her home,
your attention, to the above, will
much oblige, Resptly Yours &c
