Dr Sir

There are two or three of us here who would like to Breed to Harry Russell this fall, will you please let me know when the season is out for your time and how late in the season you will allow him to cover mares also will you make any reduction to three of us this late in season, I have a two year old Sired by son of Red Wilkes Dam Katie Clay by Daniel Webster brother to Goldsmith maid If I can make an arrangement with you I will send her down when Silas Wright sends for his mare, also let me know what she can stay there for per week or pasture

Respectfully

Harry C. Walter
