

Have all My shoring paid for
this season & also next summer
also. So if I had wanted her
shod I would have told you
so. so you see It has been
the means of costing me \$250
when there was no need for
it also My mare came to the
stable with her front left
leg bleeding which would not
have been done if I had her
brought up. in future please
let me know three or four days
before hand when you send her
back to me that I do not
trust my mare to others I
always look after her myself
Enclosed you will find a check
for the \$9.25 ~~please~~

Yours Most Respt
