

such a brow and you are
coming to the front so fast
I would not have you do any
thing that might make some
people say disagreeable things
Bring your 2 yr old to the
meeting and trot him for a
record. you may beat the time
made by the colts in the
race - and if so you would
get more glory out of it.
by showing after selling your
entry you had taken up
another 2 yr and beat the
time of the other 2 yr olds
in the stake - Think the
matter over and you will
say I am right. If it
was my own brother that
had asked the same thing
I should write him just
as I have written you -
Let us observe the rules
and make no exceptions.

Yours very truly
Benj. Whit.
