

B Emory,
Centerville

md

Henderson md.

April 5, 1895.

E. B. Emory Esq.

Dear Sir:-

I send
you my two mares by
my man. I think they
will come in, in a few
days. As soon as the
Volunteer mare has a colt, let
me hear from you, and
please examine the colt and
see if it is all right,
and then I will let you
know what I want her
bred to.

Yours truly
L. McEarter
