The Scanlan have a syster frames, so the system the sulky wheel than any c

The Burlington Route.

The traveler journeying to St. Paul or Minneapolis in the Northwest or St. Louis in the Southwest may depend on reaching his destination on schedule time if he takes the Burlington Route. Comfort, convenience and quick transit are the watchwords of this popular line. The routes are direct, the rolling stock of the finest and the interest of the traveling public are looked after zealously.

Kansas City Horse Market.

W. S. Tough & Son report the horse market in Kansas City as being particularly active. More buyers than at any time during the present season. Receipts fair. Prices strong at last week's quotations.
