Mr. Ed. B. Emory

Dear Sir

Yours of the 18th I
received and think you have done
exactly as I would have done in
the Case of Wilkins. This man
being out of employment and
knowing of my acquaintance with
you asked me to write to you and
see if you was in need of a man
that was willing to make himself
general usefull around horses in
any capacity, and also showed
me several recommendations, one
from Mr. G. O. Wilson (from our
city) as to his capacity of handling
stud horses. My acquaintance with
him has not been very long
