I am sorry it is so, but
do not think it wise to
take your horse under
the circumstances.

I am thinking of getting
out a stud card for Nutmore
and would be very much
obliged to you for the ped-
igree of his dam. I have
no part of the Register and
cannot get his dam's ped-
igree from the Year-book.
Of course I can get Nutmore
from Henderson's Catalogue.
If you will send me this
I will be grateful. I am sorry
to trouble you for it too.
Yours sincerely
R. F. Horsley
