Dear Mr. Emory,

I see by the  
pamphlet you mailed me  
a few days ago that you  
intend to let your Station  
"Royal Russell" make the  
season at Benson this  
county which is about  
four miles from the town -  
Would not an advertisement  
in the "Harford Democrat"  
be of service to you as there  
are ~~more~~ many who will  
not know of his presence  
in the county unless you  
take this means of notifying  
the public - I refer you to  
Mr. Burt of the "Observer"  
Yours sincerely G. S. Streett
