My Dear Sir, There is a friend
of mine here who wants
a good sound horse (when
I say horse I mean a gelding
or mare) between 5 & 7 yrs.
16 to 16½ hands, color bay
or gray - good action and
speedy - (3 minutes or under)
Price - moderate - I mentioned
your name to him as
being likely to supply his want
and he has requested me to
write this enquiry. Can you
supply the animal? If you
have any thing on hand let
me have description and
price, or if you should
