Manufacturer of Tin Cans and

Packer of Fruits and Vegetables,

Marydel, Md., Mar 10th 1894

E. B. Emory Esq

Dear Sir

I enclose CK to settle
bill of extras on Victor Russell.
The mare and colt are home
all right, the latter now
looks smoother and nicer, his
front feet seem to be in good
shape and growing nicely, but
think he stands too straight on
front legs, his hind ankles
are puffed some but we will
probably get them down in short
time, I was compelled to send
him to Dover & have hind shoes
put on him. He is very lively &
feeling good - Yours Truly F. G. Slemmer
