Mr E B. Emory

My Dear Sir:

I received the bill from you
some little time ago for the keep on Mr
Flower's mare. Ned. I want to acknow-
ledge that I am ashamed of my-self over
this bill. John and I had a settlement
last May. and I can not say whether
that bill was settled or not. we made
a compromise. and I claim I owe
it to you. and I will explain when
I have not paid it. and the reason
is because I have not had it. owing to
financial trouble in the family. I am
kept exceedingly poor. I am fully deter-
mined to sell the most of my stock
soon and then shall pay you. I have
got a good colt in the yearling. two
