

years old next July by birth. he is of good
size and can show trot. and I would like
to sell him. the younger one is full of
speed. he is rather small. but a good
one. if you can send me a buyer. I
will pay you for it. you have inquired
often. the older one is gelded. and in
good shape for handling some now
being well wintered &c. wish you could
sell one or both for me.

how is your stock doing.

I think by the report of the New York
and Kentucky sales. the stock is getting
some-what better.

Please remember me kindly to your
family. and hoping you a prosper
ous season for 1894
