My dear Mr. Emory, your two letters
to me rec'd. I submitted the
first about the horses to my
friend, and did not see him
again until today. I knew, how-
ever, beforehand that your prices
were beyond any thing he wished
to pay - I think \$300 would
be about his limit - and I
knew he would like to get
something lower even than that.
I am informed that Dr. Buck
is living in Altoona Pa. He
left here quite suddenly last
Sept., for what reason I
cannot know. Hope you will
