Mr emery Sir I address
you with this few to inform
you that I received your
letter the day before newyears
and then it was to late
for me to ans by newyears
as I have made up my
mind to stay in Dover
untill Spring I thought
now was time enough
for me to ans it Smith
is driving maybe again and
she seems to be gain
good I think I will make
a change about the first
of march and if you
are not visited in a man
I will talk with you
