Mr. Edw. Emory

Dear Sir, Since

I met you in the car in Balto
& you offered me the use of any
one of your Stallions, I have thought
I would except of your kind offer
though I did not intend to
before as My Mare Bell & B. is
such a fine mare & she having
a colt out in Kentucky before
I bought her I thought it would
be advisable for me to except
of your offer as a colt from her
would be a credit to any Stallion
please let me know & what time is best
to send her down & Oblye You

Respectfully

Joseph A Grindall
