Marydel, Md., Oct-20th 1893,

E. B. Emory Esq

Dear Friend,

Yours received I would not mind meeting you at Kirkwood if I knew the weather would be all right. for a mark, but do not care to put up that amount of money - I have a mark of 40 $\frac{1}{2}$, that I think is as good as I can do this fall - well - the driver I have got, Victor B is not fit to start, has not got over his lameness Mrs Semenu says he will
