Dear Friend Emory

I am back in old Md again, and once more feel comfortable - a condition I did not enjoy for the last six months -

Are you expecting to have any more trotting & pacing meetings this year if so I might yet have a chance to mark Lady Avon.

Yours Truly  
F. G. Slemmer

P.S. I hope our colt is improving and that it will not be long before you will not be ashamed of him. I hear Dan Russell is dead, is that so
