Dear Sir

I am satisfied
Breeding it with foal, and am
in hopes with proper care
can keep her breeding
every year, and write to
know what you will charge
me a year to breed her
to Haffey Russell and keep
her permanently, or as long
as she will breed satisfac-
torily. I feel assured every
one of her colts by Haffey
Russell will add to his
increasing roll of honor. Please
write me immediately and if
terms are satisfactory will

send her over and bring
back Fitty Munton as I
have likely to send over
to Centerville for my brother's
horse about Wednesday.

Since seeing you I have
bought a very fine large Russel
filly of our friend W G Hill,
and out of a pretty good
Daniel Lambert mare, I
call her Rose Russell,
have also bought of Thornhill
Stark farm Wisconsin a nice
3 year filly by Joe Young 2.194,
dam by ~~Blind Bull~~ 304
by Peabontas Boy, 4th Black
Hawk 24th, also a yearling by
Vivette 10579. dam by ~~Witford~~

-bred. With kindest regards
I remain
Yours Truly
