Mr. Edw B. Emory, Respected Sir
Your favor of the 30th. to hand, also Postal of an earlier date after receiving your letter I went to Herring Run and brought up the Russell Colt, and will treat him as you advised me, as I would very much like to get him into the 2-30 Class this year. Any information you can render me will be thankfully received. am very much obliged to you for your offering to breed my mare to Royal Russell free of charge. but I do not care about fall Colts as it makes them a year old when they are only 30 months old. I have concluded to let her run till Spring & breed her to Howard Russell the Colt I bought of you. Please let me know when you are coming to Balto. would like very much to meet and have a talk with you
