E. B. Emory Esq
My dear Sir,

I find to my great regret that the mare bred to Happy Russell is not in foal. She would take the horse to-day without any trouble. What proposition have you to make me in regard to it? Upon what terms would you loan my colt - say from 1st May to Sept. - may breed her to Russell this fall.

Yours Truly
J. J. Ross.

Can't you come
and see me if only for a night.
Would be glad to have you do
so
